

## 电动圆形物料搬运车 >>> PFG(E)

Electric Roll Work Positioner

- 专为圆柱类物料、工件、搬运、提升设计，性能优异，操作省力、安全、高效
- 电动泵站，提升更省力、高效
- 多种变化设计和附件选配，广泛应用于印刷、塑胶、软包、医药、化工建材电子行业
- 镀铬或不锈钢车架，防锈耐用
- Design for the handling and lifting of cylindrical work piece, excellent performance with safe and labor-saving operation
- High quality electric pump with labor-saving and effective lifting
- Various changing design and optional accessories, widely used in printing, plastic, soft packaging, electron, chemical and architectural material industries
- Chromed or stainless steel frame can be rust-proof and durable

PFG(E)前轮万向  
Universal front wheel

| 型号/Model                                 |      | PFG4085E   | PFG4120E         | PFG4150E         |
